SOLEL NUMA CORPS

THE DISCIPLINED CREATIVE FORCE OF SOLEL INTERNATIONAL — ROOTED IN MOORISH AMERICAN PRINCIPLES OF LOVE, TRUTH, PEACE, FREEDOM, AND JUSTICE. "NUMA" SPEAKS TO SPIRIT AND BREATH, THE ANIMATING FORCE THAT BRINGS FORGOTTEN STORIES AND SPACES BACK TO LIFE

The SOLEL Logo — designed as a living symbol — carries three stars for Wisdom, Will, and Love; a teal triangle with inner door, manifesting spirit into matter; a golden crescent for renewal; a gold ring sealing every act in dignity; and an all-seeing golden Eye representing the Creator and universal observation.

SOLEL NUMA CORPS TM

BLUE AND GOLD UNITE WELCOME WITH WORTH. **TOGETHER THESE SYMBOLS DON'T JUST REPRESENT AN ORGANIZATION — THEY DECLARE A STANDARD.**

Armed with tool kits spanning arts, education, preservation, communications, and strategy, Numa Corps members are builders who don't wait for permission.

EVERY RANK — FROM APPRENTICE TO ELDER ADMIRAL — IS EARNED THROUGH MERIT, SERVICE, AND KNOWLEDGE, FORGING CREATIVES INTO LEADERS WHO TRAIN OTHERS TO RECOGNIZE THEIR OWN VALUE. WE DON'T PETITION FOR A SEAT. WE CRAFT OUR OWN TABLE, RAISE IT TO THE HIGHEST STANDARD, AND INVITE THE WORLD TO SIT.

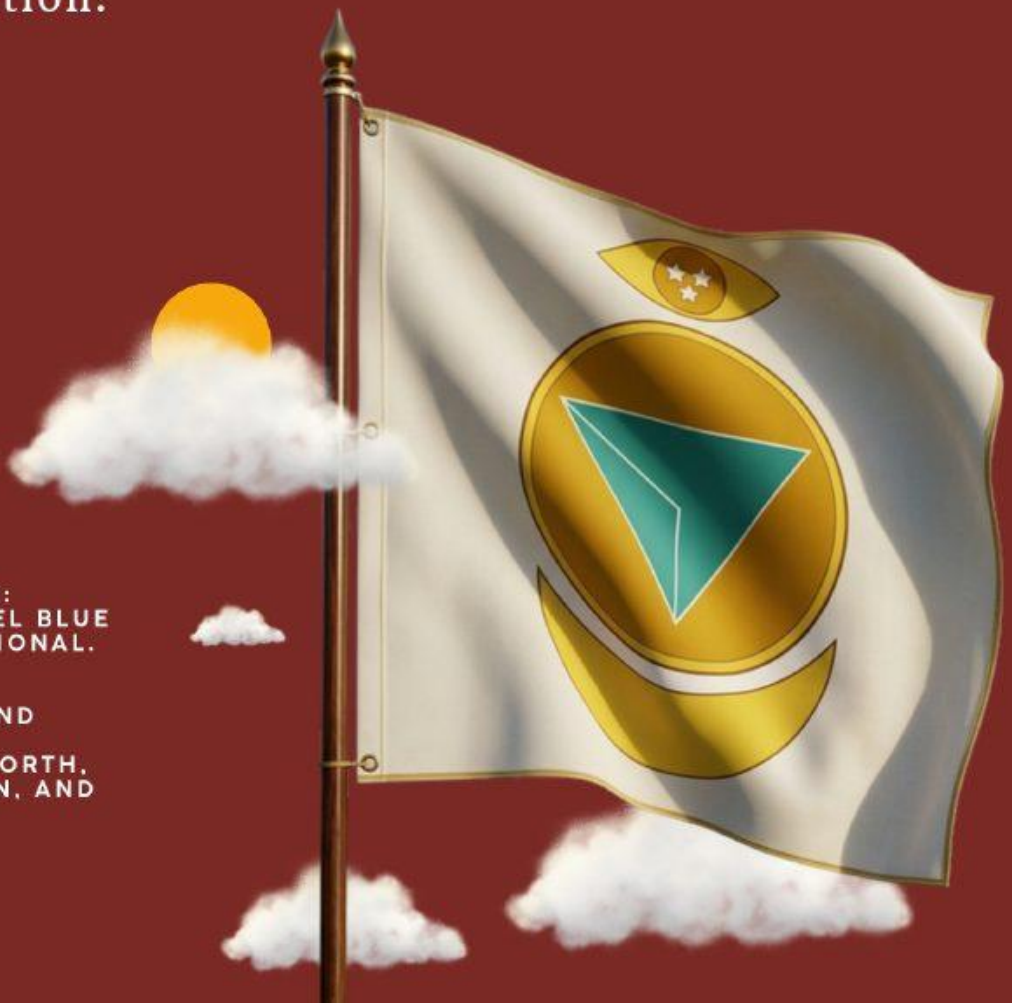

CULTURE. MEMORY. STEWARDSHIP. THIS IS THE BREATH THAT MOVES US.

INDICTMENT AS DIVINE MIRROR

numaCONCEPTS

Before the King — the awakened divine self, the sovereign nation — can arrive, the people must be told the truth about themselves. Not a comfortable truth. Not a flattering truth. *The full truth.* And the messenger who carries that truth cannot be bought, cannot be caught, and cannot be silenced — because he is not operating from ego. He is operating from *Numa* — *the breath, the spirit, the force that moves through and beyond the physical.*

You cannot imprison, co-opt, or destroy divine truth. It speaks when it must, withdraws when its work is done, and returns again in a new form.

When commerce, ego, and corruption enter sacred space — whether a physical temple, an organization, or even a family — the divine presence withdraws. *This is why the Corps' principles of stewardship exist. You protect what is sacred by living worthy of it.*

Moral Courage — the state where no external pressure, reward, threat, or temptation can move you from your divine assignment. This is what the five principles — ***Love, Truth, Peace, Freedom, Justice*** — are meant to **build in a person over time.** Not belief. Not membership. **Fixedness.**

— This is a process, not a moment.

Before a Numa Corps member can truly serve, teach, or lead others they must:

- ***Face themselves honestly without the crowd watching***
- ***Identify which of the three temptations is their personal weakness***

- ***Choose the higher self over the lower — repeatedly, not just once***
- ***Return to the community not with performance but with presence***
- ***The tool kits, the ranks, the paths of service — all of it is external structure designed to support this interior work.***

"THE REAL RANK IS NOT ADMIRAL OR CAPTAIN. THE REAL RANK IS HOW FIXED YOUR HEART IS WHEN THE TEMPTATIONS COME."

WHAT IS SOLEL NUMA CORPS

"NUMA MEMBERS COMMIT TO OPERATING FROM A DIFFERENT FREQUENCY THAN WHEN THEY ENTERED. "

THE SOLEL NUMA CORPS IS A DEDICATED SERVICE AUXILIARY OF SOLEL INTERNATIONAL, COMMITTED TO THE PRESERVATION OF CULTURAL HERITAGE, COMMUNITY RESILIENCE, AND THE ACTIVE STEWARDSHIP OF OUR NEIGHBORHOODS.

WE ARE BUILDERS, PROTECTORS, AND EDUCATORS. OUR MISSION IS TO ENGAGE THE COMMUNITY THROUGH ARTS, HISTORY, AND SERVICE, ENSURING THAT THE LEGACY OF OUR ANCESTORS IS NOT ONLY REMEMBERED BUT ACTIVELY LIVED. WE OPERATE AS A DISCIPLINED BODY OF VOLUNTEERS WHO ARE READY TO ASSIST IN TIMES OF NEED,

WHETHER THAT BE RESTORING A HISTORIC SITE, ORGANIZING A COMMUNITY FESTIVAL, OR PROVIDING AID AFTER A NATURAL DISASTER. THE WORD "NUMA" DRAWS FROM ANCIENT TRADITIONS OF SPIRIT AND BREATH-THE VITAL FORCE THAT ANIMATES COMMUNITY LIFE. OUR CORPS MEMBERS BREATHE LIFE INTO FORGOTTEN SPACES AND STORIES.

ADVANCEMENT AND LATERAL CONVERSION

Standard Advancement

Moving up in rank is not automatic. Advancement normally requires:

- ***Time in grade***
- ***Minimum service time at the current rank.***
- ***Service hours***
- ***Documented hours of approved community work.***
- ***Knowledge assessment***
- ***Passing an oral or written exam on Corps history, principles, and skills.***
- ***Project leadership (for Officer ranks and above)***
- ***Successfully planning and executing a service project.***

ADVANCEMENT AND LATERAL CONVERSION

***Lateral Conversion** (**Merit-Based Jump**)*

In exceptional cases, a member may advance laterally to a higher rank when their demonstrated ability and understanding are clearly beyond their current grade.
Eligibility

- *Minimum: Completed probation at current rank (e.g., at least one full service cycle).*
- *Strong record of reliability and character (no unresolved disciplinary issues).*
- *Endorsement from at least one direct supervisor and one peer.*

Lateral Conversion Path

To be considered for lateral conversion, a member must:

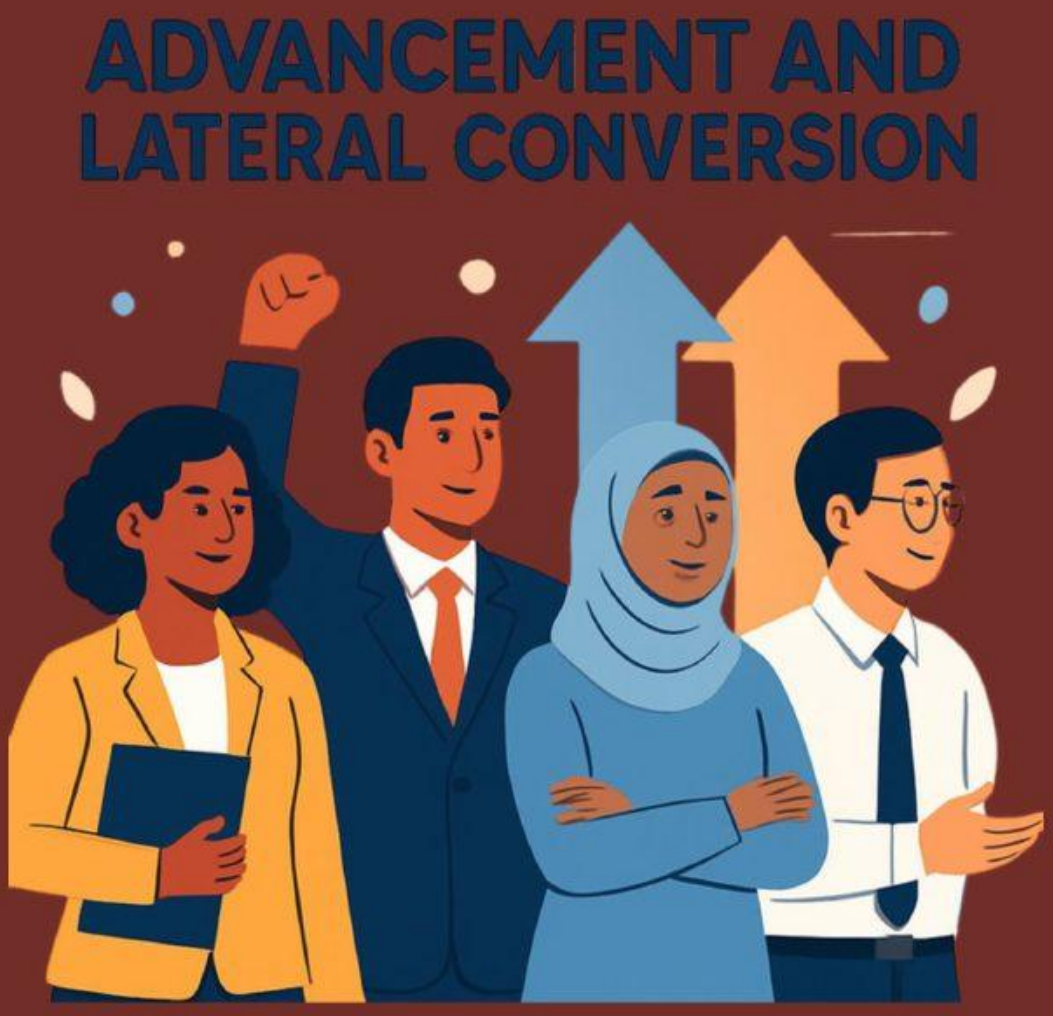

1. *Submit a Portfolio*
   - *Summary of community work and hours.*
   - *Examples of projects led or heavily supported.*
   - *Evidence of skills relevant to the target rank (reports, designs, curricula, after-action reviews, etc.).*
2. *Pass an Advanced Assessment*
   - *Written and/or oral exam built to the target rank, not the current rank.*
   - *Scenario-based questions that test judgment, not just memorization.*
3. *Demonstrate Practical Competence*
   - *Lead a trial assignment or "acting" role at the target level (e.g., lead a team for one project cycle).*
   - *Receive a performance evaluation from the supervising officer.*
4. *Board Review and Vote*
   - *A small Advancement Board (e.g., one Officer, one Field Commander, one senior peer) reviews the portfolio, exam, and trial performance.*
   - *The Board may:*
     - *Approve lateral conversion,*
     - *Recommend standard promotion path instead, or*
     - *Defer with written feedback on what is needed.*

Limits and Safeguards

- *Lateral conversion is an exception, not the norm; it is used for clearly over-qualified members or those with strong outside experience.*
- *No member may skip more than one tier of responsibility in a single lateral move (e.g., from Senior Specialist to Corps Leader, but not straight to Master Corps).*
- *All decisions and rationale are documented in the member's file.*

ADVANCEMENT AND LATERAL CONVERSION

The Corps recognizes that people grow at different speeds. Time and hours matter, but so do mastery, judgment, and demonstrated service. Lateral conversion exists so that a member may advance to the level they are truly prepared for—no faster, and no slower.

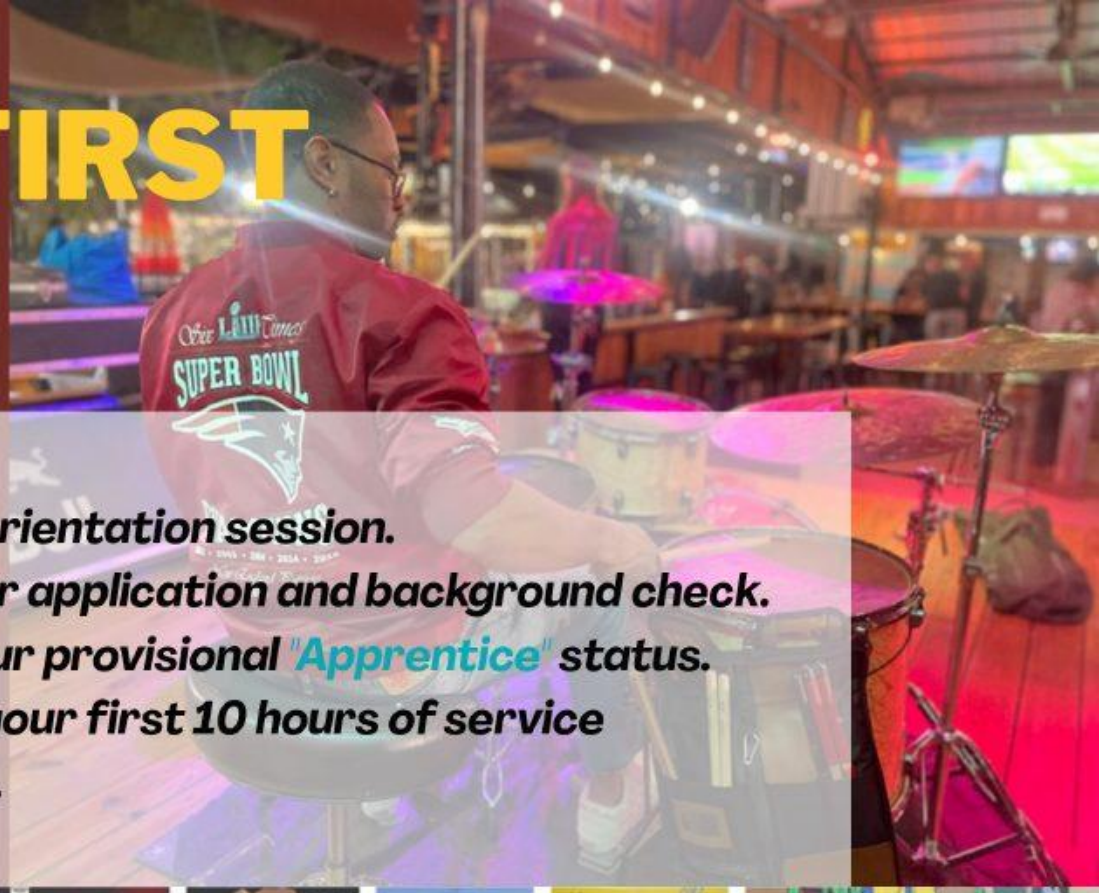

RECOGNITION & CEREMONIES

We gather quarterly for "Muster & Merit" ceremonies. Here, promotions are announced, decorations are pinned, and the community is invited to witness our dedication. These are joyous occasions of food, music, and fellowship.

YOUR FIRST STEPS

Step 1: Attend an orientation session.
Step 2: Submit your application and background check.
Step 3: Receive your provisional "Apprentice" status.
Step 4: Complete your first 10 hours of service alongside a mentor.

FAQS

Q: Do I have to be Moorish American to join?
A: No.

While we are founded on Moorish principles and honor that heritage, membership is open to all who agree to abide by our code of conduct and serve the community with love and truth.

In March 2026, ***SOLEL Numa*** *made its public debut at Gulf Coast Cosmos Comics in Houston. Born from the idea of fairness in creativity, Numa was created to push back against political gatekeeping, cliques, and the quiet brain drain pulling artists away from their own communities. Under the leadership of the president of SOLEL International—a Moorish American who draws deeply from five guiding principles that are both cultural and universal—****Numa set out to build a creative family where artists are protected, valued, and organized to serve.***

Note on Inclusivity: *Solel Numa Corps welcomes men and women of all backgrounds. We believe diversity is our strength and unity is our power.*

Welcome to the Corps. Your hands build the future. Your heart preserves the past. We are One.
